To: ALL...

As I'm sure all of you know the world we live in has changed. Due to the Coronavirus and the limitations now in place concerning social gathering the Mid-State Spring Breakfast Run, scheduled for this coming Sunday at The Carriage House Restaurant in Winchendon MA, has been cancelled.

I'd like to thank Joe Gonynor setting this up for us but it's clear that it's not happening this year.

Another thing that we want you to know is that both the BOD and the General Membership meeting for April have been cancelled. Perhaps we'll reschedule the action...

Like everyone we need to appreciate the dangers of social gathering at this time and need to respect all of the CDC guidelines in place. We will communicate new information pertaining to Mid-State as we get it.

Dave Cramm

President, Mid-State Antique Auto Club
